EMERGING JEWELLERS
PROGRAM

Application to Display

What is it?

This is an 8-week opportunity for emerging local jewellers to display and sell their work in a commercial environment; rent free!

Who can apply?

Any emerging jeweller who is based in Tasmania and is not currently selling their work in other shops or galleries. (This excludes student exhibitions and markets). Apprentices who are still attending TAFE (or trade school).

What is in it for you?

The successful applicant will get a high exposure, rent-free space in a well-established business (**FIND Contemporary Jewellery Collective**) in Salamanca Arts Centre, for a set period of 8 weeks, display props included.

What is the cost?

There is no cost to apply and there is no rent charged. A small commission is taken on each sale.

What is in it for FIND?

FIND is a cooperative of 12 contemporary jewellery makers and we all know what it is like when you are first starting out. The space allocated for an emerging jeweller in our store is our way of supporting the local arts community.

How do you go about applying?

You can either go in to the store in the Salamanca Arts Centre and collect an application form, or apply on-line. You need to complete the application form as well as prepare an artist statement, supply an image of yourself, and some images of your work.

What then?

FIND will review your application and notify you regarding the success of your application. If you are successful then you will meet with one or two members from FIND to finalise the details of your display. If you are not successful, FIND may contact you to request we keep your application on our database for consideration when the space is next available.

So...

If you think this might be the right opportunity for you but would like to talk about it with one of the members, please call:

Cate Lowry 0401 303 712

Shauna Mayben 0400 985 665

NB: Successful applicants can re-apply to use the space again after a 12-month period since last display.

Otherwise...

Just fill in and sign the application and attach it to your artist statement, along with some images of your work and one of yourself.
